<p></p><p>Sniper Code 2 is a puzzle game where you shoot enemi
es and complete various tasks from a distance using your sniper rifle. There ar
e many challenging levels with creative missions where you won't be just sho
oting people, but you will be taking part in tactical missions. Sometimes only
shooting the lamps and objects around the environment is enough to solve the si
tuation without bloodshed. Also, use your bullets creatively in order not to run
out of ammo in the middle of the mission. Your accuracy matters a great deal i
n this game, so does your stealth ability. Don't forget to spend the money
you earned in the store to improve your skills. Do you have what it takes to fin
