In flavour terms, it#39;s widely agreed t

hat Atlantic cod has a slightly sweet taste, with large flakes#1292

97; that fall apart easily when cooked. Pacific cod has

a milder, more savoury flavour profile accompanied by firmer, chunkier flakes&

t;/span>.🤑 Preference is very much down to consumers#39; personal ta

stes.</div></div></div></div></div></div></div>
