The game Dragon Tiger by Evolution, a popular choice in online casinos, offers a unique blend of simplicity and strategy.

In this game, players choose between two main symbols the Dragon or the Tiger, each representing a card dealt in the game.

Stick to betting on the Dragon or Tiger for better odds. In Dragon Tiger, it is possible to gain a small advantage by keeping track of which cards are played, especially in decks with fewer cards. Pay attention to the suits played. This can sometimes help predict outcomes, especially in side bets based on suit.
