Each area contains different elemental challenges fo

r you to overcome. The forest temple is the first region. Here you must &#128200

; use both characters to collect the colored diamonds and get to the end doors.

Each area has a different style. &#128200; The light temple, for example, has

beautiful colored lights.

In this fifth installment of Fireboy and Watergirl, there's a great

variety &#128200; of new temples that merge many elements from the previous ga

me. Some exciting new temples with brand new puzzles include &#128200; all-fire

and all-water temples, which leaves one of you to take the lead on solving the

temple. Themed on the &#128200; elements as the title suggests, there's a s

uperb variety of puzzles to keep you engaged.

Play the game at a steady &#128200; pace, otherwise you might end up b

ack at the start.

Think carefully about your actions and which character you use.
