

brbet

If you've previously created an account and it's still on Facebook, we can help you find it. You'll need to know an email, mobile phone number or username associated with your account. If you're still having trouble finding your account, try these tips or you may be able to have a friend help you find it.

I don't know if I still have a Facebook account. | Facebook Help Center

facebook : help

Go to the Facebook login page (facebook) and click on the "Forgot account?" link below the login fields.

You will be taken to the account recovery page. ...

If the hacker has removed your email and phone number, click on the "Need Help?" link located below the "Search" button.

Hi, can you help me recover my facebook account? Someone ...
