<p>It's hard to appreciate just how differently Gonzo's Quest play s out compared to other 5 reel video slots unless you've🌝 played it. Sure, there are some familiar elements - it's still a slot machine after al l - but the avalanche🌝 approach is a welcome change to the rolling reels in slots titles still being released today.</p>

<p>When this occurs, you'll get🌝 10 instant free spins, which will play out automatically back-to-back. With every avalanche that occurs you c an build up your🌝 multipliers again, as well as landing more Free Fall s ymbols. Hit 4 or more avalanches in this mode and you'll🌝 receive a x 15 multiplier on your highest winning payline.</p>

<p>Despite its excellent graphics and unique avalanche feature, the Gonzo& #39;s Quest slot is🌝 still compatible with tablet and smartphone devices across multiple iOS and Android platforms. And performed well under scrutiny fr om our🌝 team who tested out the compatibility with Android and iPhone de vices of all generations to bring you this Gonzo's Quest🌝 review.</p>

<p>Gonzo's Quest is one of those rare gems in online casino gaming, a video slot that still has the ability🌝 to surprise you. We can't tel l you how refreshing it is to play a game that challenges the status quo🌝 ; and presents a different way of doing things.</p>

<p>The avalanche feature we discovered while conducting this Gonzo's Q uest slot review is🌝 definitely one we'd like to see more of. In our opinion it raises the bar for other game developers to🌝 push the bounda ries when it comes to slot machine design.</p>
