<p&gt;&lt;/p&gt;&lt;p&gt;2024 video game&lt;/p&gt;
<p&gt;2024 video game&lt;/p&gt;
<p&gt;Call of Duty: WWII is a 2024 first-person shooter game developed by Sle
dgehammer Games and published 🗝 by Activision. It was released worldwid
e on November 3, 2024 for PlayStation 4, Windows and Xbox One. It is the &#12847
7; fourteenth main installment in the Call of Duty series and the first title i
n the series to be set primarily 🗝 during World War II since Call of Du
ty: World at War in 2008.</p&gt;
<p&gt;The game&#39;s campaign is set in the European &#128477; theatre and i
s centered around a squad in the 1st Infantry Division following their battles o
n the Western Front and 🗝 set mainly in the historical events of Operat
ion Overlord. The player controls Ronald "Red" Daniels, who has squadm
ates who can 🗝 supply the player with extra ammunition, health, or gren
ades as well as a targeted grenade and target spotting; none of 🗝 these
are automatically replenished in the campaign. The multiplayer mode features ma
p locations not seen in the campaign. The mode 🗝 also features the new
Divisions system, replacing the create-a-class system that previous games in the
series used. A social hub, 🗝 named Headquarters, was also implemented
into the game, allowing for players to interact with each other.</p&gt;
<p&gt;Sledgehammer Games were interested in &#128477; bringing the series ba
ck to World War II after developing their previous title, Call of Duty: Advanced
Warfare (2014), which 🗝 featured advanced movements and futuristic war
fare technology. Studio head Michael Condrey stated that he was unsure if a Worl
d War 🗝 Il game would feel right after creating a futuristic title like
Advanced Warfare, but the developers ultimately decided to create 🗝 a
game in this time period. They also chose to include atrocities and Nazi concent
ration camps in the campaign mode 🗝 to deliver an authentic war story.&
