In the original 1st edition Monster Manual, Demogorgon was easily the most powerful demon lord, while Asmodeus was the most powerful archdevil. Between the two, Demogorgon was probably a hair more powerful than Asmodeus.

Orcus vs. Asmodeus - Paizo : threads : Orcus-vs-Asmodeus

Asmodeus was technically a deity, but he was exempt from many of the rules regarding divine beings, his actual status a matter of debate that had changed over time. At the very least the strongest archdevil, weaker interpretations cast him as not even a full-fledged god or he possessed only of the powers of a lesser god.
