Tank Trouble is an online tank game where you drive in a maze and shoot missiles at your enemies. Tank Trouble pits you against clever army generals in mazelike battlefields. In Solo mode, you will face Laika, a master of war. You can also challenge a friend or two in multiplayer warfare.

Special items appear to give you an edge on your enemies, like rockets, scatter bombs or a double canon. Always make sure missiles don't bounce from the walls, killing your own tank.

How to play (solo)?

In Solo mode you control your tank with the arrow keys. You shoot with space. Drive through the maze to find your enemies, and shoot from a safe point before they aim their canon at you.

How to play (multiplayer)?

About GTA Games

Introduced to the gaming world in 1997, the Grand Theft Auto (GTA) franchise has evolved and influenced the global gaming industry. Developed by Rockstar North and published by Rockstar Games, GTA Games are action-adventure games known for their open-world and narrative-driven gameplay, often revolving around criminal activity.

The franchise offers players an arena where unlimited exploits and lawlessness reign, and is known for pushing the boundaries of video game storytelling and design. The environments in these games offer satirical commentary that is often humorously reminiscent of American pop culture. In addition, the games feature extensive vehicular gameplay and a wide variety of missions, further enhancing their appeal to gamers worldwide.
