Unlike the majority of game characters that come from cartoons, comics or movies, Sonic the Hedgehog was essentially an original computer game hero. In honor of his enormous popularity and important role, he now has an entire section dedicated exclusively to games featuring him.

Want to know more about his fame? Perhaps you could ask your parents if they played console games when they were children - the name Sonic the Hedgehog would undoubtedly come up as they experienced the thrill of playing Sega games.

What sets Sonic the Hedgehog apart is his versatility - Sonic is a charming and emotional hero capable of virtually any task. He can soar through the air, fight battles, sprint at incredible speeds and leap across wide gaps. Not to mention, he always makes it a point to collect bonuses - an essential part of free Sonic games.

Of course, Sonic's exploits are not his alone. He is often surrounded by his faithful companions, namely Tails, Amy Rose and Knuckles, who made their first appearance in an animated series based on the original game.
