The eye-m easure, accuracy of the cue hitting the ball, geometrically sharp trajectories o f their movement and unpredictable crashes, and tactics designed for several ste ps forward - all this is Billiards. It is a combination of intellectual play and controlled physical strength. Billiards is now a popular game all over the worl d and is the subject of international Amateur and professional competitions. It is impossible to determine the exact time when the game of Billiards appeared. I t is only known that it, like chess, is very ancient and its homeland is conside red to be Asia: China or India, the debates continue. But from birth, it was con sidered a game for the privileged level of society. Gradually, it became popular , but the weight and high cost of the main equipment (billiard table) prevented the spread of Billiards among people as a hobby. A little historical note: docum ented statements about the game of Billiards by Queen Mary of Scotland, Mary Stu art, on the eve of her death, and her request to the Archbishop of Glasgow to fi nd a suitable place for the table after her death.</p> <p>What types of Pool Games are there?</p> <p>With the development of technologies and the appearance of new material

s, pool games gets wide opportunities and an army of fans. There are many variat

their own characteristics. And now it is not necessary to have tables, balls an

almost every country has come up with their own versions with

ions of the game
