

como sempre ganhar na betfair

The negative number shows how much has to be risked to win a \$100 payout. Thus, if the money line for the team that you picked was -400, it means that if you placed a successful \$400 bet, you would gain \$100 on payout. This means that the bettor would have risked \$400 and ultimately gained \$100.

como sempre ganhar na betfair

American odds For favored bets, the bet odds will start with a negative number and they tell you how much you need to bet to win \$100. If the odds are -110, a common number for a bet involving a spread, you would need to bet \$110 to win \$100. If your odds are -200, you would need to bet \$200 to win \$100.
