Parents need to know that this thriller series is the epitome of a know-your-kid scenario. Its mature content ensures kids and tweens are out, and if your teens are sensitive to violence or the concept of the paranormal, then it's not for them either.

Depends how matured your child is. If your kid knows that doing drugs is not the way to go and to never ever do them then this show is fine for people 12+. There are some gory parts but you legit can close your eyes if you can't watch.
