Fruit Party is the title developed by renowned studio Pragmatic Play. Released on 21.05.2024 it became a hit among gamblers for its exciting engine and high-quality artwork. This review details all of its main characteristics that along with free demo mode available on our site give a complete idea of experience you will be getting.

In the Fruit Party slot, you will find yourself in a green meadow filled with the sunlight and warmth, and bright and juicy fruit symbols perfectly completely the background.

Technically, the Fruit Party slot is equipped with a huge 7x7 playing field, and the winnings will be generated with the aid of the Cluster Pays system, rather than by using lines. Winnings are awarded when five or more identical symbols touch each other horizontally or vertically.

As expected, in the Fruit Party slot, winning clusters are removed from the playing field, and new ones appear in the vacated positions. This feature will let you get multiple winnings per spin.

You can join the fruit party on any device by choosing your preferred bet from R\$0.20 to R\$100 per spin. The variance in the Fruit Party slot is average, the RTP is 96.50%, and the maximum payout for a spin is 5000x.
