&lt;p&gt;&lt;/p&gt;&lt;p&gt;When Activision announced Call of Duty: Warzone Mobi

le in 2024, the developer said it was planning to release the game&#127820; some

time this year, shortly after Call of Duty: Modern Warfare II became available.

Now, Activision has published a trailer for&#127820; the mobile title, with the

revelation that it&#39;s coming out sometime in the spring of 2024 instead. It h

as no&#127820; specific launch date yet, but those interested can already pre-or

der from Google Play or the App Store.&lt;/p&gt;

&lt;p&gt;Warzone Mobile is a&#127820; battle royale experience, which will put u

p to 120 players on a single map. The matches&#39; operators, weapons, locations

and&#127820; combat are supposed to be familiar to current Warzone fans. It wil

l also share a Battle Pass, as well as&#127820; feature cross-progression, with

Modern Warfare II and Warzone 2.0. While the game won&#39;t be widely available

until 2024, fans in&#127820; Australia, Chile, Norway and Sweden have been able

to play it since earlier this year. This &quot;limited release&quot; version giv

es&#127820; Activision a way to test the game with a wider audience than it can

with its Closed Alpha, so it&#127820; can find and fix more bugs, stress test ma

tches and collect as much feedback as possible on gameplay and different&#127820

; elements of the title.&lt;/p&gt;

&lt;p&gt;In addition to announcing a new release date window for Warzone Mobile,

Activision has also revealed that&#127820; the game will come with access to Re

birth Island from day one. The fan favorite Resurgence mode map will be&#127820;

making its debut on mobile and has apparently been &quot;painstakingly and spec

ially built&quot; for this game.&lt;/p&gt;

&lt;p&gt;As for those waiting for&#127820; Modern Warfare III, Raven Software ha

s confirmed at the COD Next event that players will be able to slide cancel&#127

820; in the game a mechanic that was notably absent from Modern Warfare II. Ta

ke note, though, that while the&#127820; mechanic is coming back, it will no lon

ger reset Tactical Sprint.&lt;/p&gt;
