menu lets you choose between three different modes. The volleyball icon is for q
uick matches. The trophy icon is for a tournament, and the podium icon is for th
e Star League. When you win the Star league, you unlock the Sun league! On the b
ottom you have the awesome local two player mode. Next to that. the game feature
s many customization options. There are already more than 50 characters to choos
e from! And you can customize the rules of the game. You can for instance play w
ith a net that moves up and down, a ball that shrinks in size, or play with an A
merican football or a ball with a saw on the bottom! Your characters act like bo
wling pins, jumping towards the side that they facing, so make sure to always ch
eck where your characters are going. Can you beat the tournaments, leagues and y
