

O O bet365

[Call of Duty: Vanguard](#) is a first-person shooter game developed by Sledgehammer Games and published by Activision. It is the 15th main installment in the Call of Duty franchise. The game is set in World War II and features a campaign mode, a multiplayer mode, and a new battle royale mode called Warzone. The game was released on November 11, 2021, for Xbox One, PlayStation 4, PlayStation 5, and Windows PC.

Highly recommended for CoD fans and people looking for a bit of mindless fun set in WW2. Even though the campaign is extremely predictable and the multiplayer is plagued with tones of issues, Call Of Duty: Vanguard is, after all, still a Call of Duty title, and will appeal to all hardcore Call of Duty fans.
