Welcome to Reel Talent, a 5 reel game with 20 lines that feature Re-spins, Symbol Storage and Superspins where talented performers all try to make it to the big stage. Every winning symbol is stored in the Symbol Storage and a Re-spin is awarded. When three symbols are stored, the player is awarded a Superspin. The Superspin has three different levels and only contains the stored symbols. Three different symbols award the Showtime level, two different symbols award the Big Stage level and if all of the stored symbols are the same, the player wins the Solo Performance level where massive wins are guaranteed!

SYMBOL STORAGE

Every winning symbol type on a win line is stored in the Symbol Storage and a Re-spin is awarded. When three symbols are stored during a game round the player is awarded a Superspin.

SUPERSPIN

The superspin has three different levels depending on the number of different symbols that was stored in the Symbol Storage during base game. 3 different symbol types award the Showtime Superspin, 2 different symbol types award the Big Stage Superspin and 1 type of symbol award the Solo Performance Superspin. A Superspin will only contain the stored symbols. All other symbols are not in play during the Superspin. This greatly enhances the chance of winning and also winning big. In the Solo Performance Superspin, there is only one type of symbol represented on the reels, thus giving a full screen of the same symbol.
