Masters of Horror is an anthology television series created by director Mick Garris for the Showtime cable network. Subsequently, Garris organized regular dinners with the group and invited other horror and other genre directors to attend, including Dario Argento, Eli Roth, Wes Craven, David Cronenberg, Tim Sullivan, Rob Zombie, Bryan Singer, Fred Dekker, William Lustig, Lucky McKee, Ernest Dickerson, Katt Shea, Quentin Tarantino, Robert Rodriguez, James Gunn, Mary Lambert, Tom Holland, Peter Medak, Ti West, Lloyd Kaufman, and others. In 2005, Garris created and produced an original anthology television series of one-hour movies, written and directed by many of the "masters," which was originally broadcast in the U.S. on the Showtime cable network. In several international territories, the films were released theatrically. Episode 4, "Jennifer," was accidentally made available on-demand to a select audience at the same time as episode 2, "H. P. Lovecraft's Dreams in the Witch-House." The episode was cut for graphic violence during its initial television broadcast, and the cut scenes can only be viewed in a featurette separate from the film on the R1 DVD release. A two-disc soundtrack was released for the series in October 2005 on Immortal Records. The album features heavy metal and hard rock acts with a few acoustic pieces. A second volume was released a year later. IDW Publishing produced a series of comic book adaptations of several episodes from the series. The first four issues are two-parters, adapting "Incident On and Off a Mountain Road," based on the short story by Joe R. Lansdale, and "Dreams in the Witch-House." The first two comic covers were painted by the award-winning artist Jeremy Caniglia.

and PC -- with a possibility of an extension to Nintendo console due from a potential article; international discussion will be held when Windows bugs Act 4 and P 5 are released. Will Gameford be on S 4 and P 5 when Windows bugs Act 4 and P 5 are released? Will Gameford be on S 4 and P 5 when Windows bugs Act 4 and P 5 are released?
