<p>Same bed, but it feels just a little bit bigger now</p>

o, but it don't sound the same</p>

When our friends talk about you, all it does is just tear me down</p>

Cause my heart breaks a little when I hear your name</p>

It all just sounds like, ooh</p>

Too young, too dumb to realize</p>

That I should've bought you flowers and held your hand</p>

Should've gave you all my hours when I had the chance</p>

Take you to every party, 'cause all you wanted to do was dance</p>

Now my baby is dancing, but she's dancing with another man</p>

My pride, my ego, my needs and my selfish ways</p>

Used a good strong woman like you to walk out my life</p>

Now I'll never, never get to clean up the mess I made, oh</p>

And it haunts me every time I close my eyes</p>

It all just sounds like, ooh</p>

Too young, too dumb to realize</p>

That I should've bought you flowers and held your hand</p>

Should've gave you all my hours when I had the chance</p>

Take you to every party, 'cause all you wanted to do was dance</p>

Now my baby is dancing, but she's dancing with another man</p>

Although it hurts</p>

I'll be the first to say that I was wrong</p>

Oh, I know I'm probably much too late</p>

To try and apologize for my mistakes</p>

But I just want you to know</p>

I hope he buys you flowers, I hope he holds your hand</p>

Give you all his hours when he has the chance</p>

Take you to every party</p>

'Cause I remember how much you loved to dance</p>

Do all the things I should've done</p>

When I was your man</p>

Do all the things I should've done</p>

When I was your man</p>

<p></p>
