Let us now explain what you are going to be doing in the game, &#127774; after which you should have no stress at all about playing it. Use the arrow keys to control your car. &#127774; In each race, do your best to be the first one to reach the finish line, and thus win it. &#127774; Of course, along the way you are going to be able to do all sorts of stunts, which we recommend, &#127774; if you want more points, but at the same time, be careful of how you drive, since we are positive &#127774; that you do not want to crash, and lose the race and the game, right? As you earn more money &#127774; from winning race, you also get to upgrade your car, which we recommend that you do. Good luck, and when &#127774; you are done, make sure to see what other new games we have added here so far!</p><br><p></p><br><p></p><br><p>How to play?</p><br><p></p><br><p>Use the &#127774; arrow keys.</p><br><p></p><br><p></div>
