Call of Duty : Black Ops 4 Story The game takes place during World War II and its story is divided into three separate campaigns Soviet, British, and American each focusing on different historical events. Soviets start their campaign during the Battle of Moscow and have to defend the city, while the British start in North Africa and are tasked with a sneak attack on Afrika Korps troops. American campaign, on the other hand, begins during the famous D-Day and takes the player through other important events, including the ones revolving around the Hill 400.

Gameplay Call of Duty 2 game is a first-person shooter, meaning you will spend most of your time running from point to point in order to complete your objectives, killing enemy soldiers in the process. It's important to note that you are not the chosen one, and you will easily die if you are not aware if you want to succeed, you have to cooperate with other soldiers, who can draw enemy fire or lay down covers for you.

The game features a variety of historically-accurate weapons from the WWII era. Defeated enemies drop their weapons you can pick them up and use, but you can only wield two firearms at any given time. Combined with limited ammo, you are encouraged to make use of everything you can find. Defeating groups of enemies can be done with frag grenades, while smoke grenades provide tactical cover.
