[Can you play the PS4 Black Ops 4 offline? - Quora](#) : Is-Black-Ops-4-offline

Yes you can & you will have to play against or with bots but you can play both the maps and the zombies or customize your own game. You won't be able to rank up and Prestige in both the Multiplayer and Zombies side but you can still have fun and learn the maps or games.

[Do people from Spain call the USA 'Amrica' or 'Estados Unidos'? - Quora](#) : Do-people-from-Spain-call-the-USA-Amrica-or-Estado...

In Spain, people commonly refer to the USA as "Estados Unidos", which translates to "United States" in English. The term "Amrica" is often used to refer to the continent as a whole rather than specifically to the United States.

[The reason for two 'E's and two 'U's is because Spanish, like Latin](#), uses two of the initial letters when the word is plural. For example, pp for pages, plural. If it were only one United State it would be EU. Since it's plural, EEUU.
