It s a really good game it s fun to play and entertaining I like this g

ame because you couldn t make sure the sound and there s no sound wit

hout loading up your device or 11 get down so get down so it s a real

ly good game it s fun to play and it really entertaining I like this game becaus

e you can make sure the sound and there s no sound without increasing

up your device or lowing it so what I would like to say is that they

should get quite a bit of an upgrade and stop telling you to continuously

get something because during the run because you d be focusing on your hig

h score instead of something else as it s really distracting and take

s up a lot of your time during the run as in addition I would like to say that there is quite a couple of good things about this because you can watc

h an advert if you wanted to you to get the daily rewards are really

rewarding and you can get a lot of keys which would help you speed up

one thing I do not like about this game is how the speed goes up as

you run fast I guess that s all the cons and all the pros Plus there s a lot of

kind of thing you d get five of something and you get is money and in

the money the randomising money thing is that you didn t after 10,00

0 coins right but usually it is 1000 coins and below which is kind of really

random because it s frustrating as I m trying to get a lot of money whic

h would help if you d allowed us to get a lot of money in a certain t

ime not just 1100 or 200

Infinity Ward had previously stated that

Modern Warfare's campaign was a work of fiction. In addition,

they highlighted how in the game's cooperative Special Ops mode, which acts

as a sequel to the campaign's story, the playable character and their group

eventually ally with Russian forces for one of the missions.
