Early the infamous bedroom scene. The bedroom scene in Bridge over the River Kwai is one of the most intense and brutal moments in movie history, surpassing films as violent as Hostel from the 1970s. The scene is so shocking and violent that it's often referred to as the "Why Did You Do That?" scene. IMDb: [O O bet365](#) While the original 2004 film was plenty violent, the 2013 remake was even more so.
