Military unit

Operation 40 was the code name for a Central Intelligence Agency-sponsored counterintelligence group composed of Cuban exiles.[1] The group was formed to seize control of the Cuban government after the Bay of Pigs Invasion.[2] Operation 40 continued to operate unofficially until disbanded in 1970 due to allegations that an aircraft that was carrying cocaine and heroin in support of the group crashed in California.[1]

It was approved by President Dwight D. Eisenhower in March 1960, after the January 1959 Cuban Revolution, and was presided over by Vice President Richard Nixon.[citation needed]

Origins [edit]

On 11 December 1959, following the Cuban Revolution of January 1959, Colonel J.C. King, chief of the CIA's Western Hemisphere Division, sent a confidential memorandum to CIA director Allen W. Dulles. King argued that in Cuba there existed a "far-left dictatorship, which if allowed to remain will encourage similar actions against U.S. holdings in other Latin American countries." [citation needed]
