am- Webster., dicionário

We are used to seeing and processing human faces and

objects, but seeing an eerie, near-human image such as a zombie tr

iggers fear. The face we see technically has all the features that

should make it recognisable to us as a human but instead we are faced with so

omething feral, lacking humanity.

1 Stalkers - Dead Space Series

They are not indestructible like the Hunter but they are even scarier. Th

ey are like the velociraptors of Necromorphs: very fast, deadly, and heart attac

k-inducing. They are another zombie breed that lets out a loud and shocking scre

am when they attack.
