Comprendiendo los terminos: Jugar e Jogo

En el universo de los juegos online, las palabras portuguesas "jogar" y "jogo" ocupan un lugar fundamental. Mientras que "jogar" significa "to play"; en ingles, la palabra "jogo" se refiere tanto a "to play"; (por ejemplo: eu jogo) como a "jogo";, el cual es un termino utilizado en el ambito de las competiciones. Un "jogo" o "partida", de esta manera, no es mas que un juego/partida en el que participan diversos jugadores y que generalmente es profesional.
