[Why 90% Of Traders Lose Money - MoneyShow](#)

One of the biggest reasons traders lose money is a lack of knowledge and education. Many people are drawn to trading because they believe it's a way to make quick money without investing much time or effort. However, this is a dangerous misconception that often leads to losses.

While there is no guarantee that you will make money or be able to predict your average rate of return over any period, there are strategies that you can master to help you lock in gains while minimizing losses. It takes discipline, capital, patience, training, and risk management to be a successful day trader.
